CORPORATE BUSINESS MODEL

RETAIL AND CONSUMER FOCUS

Retail focus areas

Increase relative share of controlled distribution:

- Fuel growth through own e-commerce
- Expand portfolio of own-and-operated physical stores

Increase focus on retail and consumers throughout the entire value chain

- More emphasis on developing products for own channels rather than wholesale
- Align wholesale and retail buying to reduce product collection size and complexity
- Improve performance in own free-standing stores

Streamlining the brand experience across all distribution and communication channels (omni-channel)

Developing omni-channel distribution

Prioritized initiatives and projects to develop the Group's distribution set-up:

- ✓ Insourced e-commerce platform, fulfilment and customer service (2015)
- ✓ Ship-from-store (2016)
- ✓ Order-in-store (2016)
- Loyalty programme
- Store inventory lookup
- Return in store
- Click & Collect
- Return to online
- Advanced loyalty features (behavioral triggered promotion)
